

Nigerian Level 1 Distribution Box Manufacturer

AI Overview

Reliable Electrics, Fembosco Engineering, Oroson, and Nijsha Enterprise are leading manufacturers and suppliers of Level 1 distribution boxes in Nigeria.

Key Manufacturers and Suppliers

1. Reliable Electrics Limited Reliable Electrics offers a range of SPN (Single Pole & Neutral) and TPN (Triple Pole & Neutral) distribution boxes, suitable for residential and light commercial applications. Their products are designed for safe, organized, and efficient power distribution, with options for single-phase and three-phase systems . 2. Fembosco Engineering Limited Fembosco Engineering is a well-established supplier of electrical panels and distribution boards in Nigeria. They provide high-quality electrical distribution boards for homes, offices, and industrial setups. Their products are compatible with various cable management systems and include original circuit breakers for safety . 3. Oroson Oroson manufactures distribution boxes suitable for AC50/60 Hz circuits, rated up to 415V and 125A, with options for single-phase and three-phase systems. Their boxes can accommodate MCBs and MCCBs, are available in flush or surface mounting, and are made from cold-rolled or stainless steel with powder-coated finishes for durability . 4. Nijsha Enterprise Nijsha Enterprise produces heavy-duty power distribution boxes for commercial and industrial applications. Their modular designs allow for easy expansion, and they include advanced safety features such as ground fault and circuit breaker protection. The boxes are built to withstand demanding environments while ensuring reliable power delivery .
