

UK General Electric Distribution Box

Overview

The GEK Orange Distribution Box offers flexible power distribution for a variety of applications. Our distro boxes can be used in construction, industry, mining, events and more. We also offer a range of plugs, sockets, and connectors that are built to last, with high-quality. An essential part of your electrics network in a home or a business, the distribution board is integral to the smooth running of circuits, with safety built in in the form of fuses or circuit breakers. A good distribution board ensures the safety of those who use the electricity in the building or. Robust enclosure with lockable, hinged cover, suitable for installation in outdoor locations, garages and sheds, designed to protect against water and dust ingress. Ideal for outdoor lighting and power supplies.
